Education

- 2021 - Pursuing
BE Electronics and Communication Engg. - 7.8 cgpa upto 6th semester
Bannari Amman Institute of Technology
- 2018 -2021
Diploma in Mechanical Engg. - 78.63%
CIT Sandwich Polytechnic College
- 2016
Grade 10 - 9.6 cgpa
Vidyaa Vikas International School

Internship and Training

- 2023 Mar 08 - Apr 18 (30 days)
Internship on ReactJS - Ether Infotech
Role - Intern Trainee
This internship provided hands-on experience in developing web applications using ReactJS, a popular JavaScript library for building user interfaces. I gained proficiency in using ReactJS to create interactive and dynamic user interfaces and learn how to integrate it with other technologies like Redux, NodeJS.
- 2022 July 21 - August 11 (15 days)
Training on Semiconductors - TESSOLVE
Role - Intern Trainee
This internship was a valuable experience that allowed me to gain hands-on experience in the design and fabrication of semiconductor devices. I gained practical skills in CAD design, semiconductor fabrication, and device characterization.

Projects

2023 June - July

Real Estate and Residential Website

Role - Front-End Developer | Team size - 2

I developed a dynamic real estate and residential website using ReactJS, CSS, and SwiperJs, providing an interactive and visually appealing platform for property listings and related services.

2023 Jan - Feb

Classroom Allotment and Venue Blocking

Role - Front-End Developer | Team size - 5

The Classroom Allotment and Venue Blocking project is a comprehensive web-based solution developed using HTML, CSS, JavaScript, and DBMS MySQL as part of a hackathon. The project aims to provide a user-friendly interface to educational institutions to manage classroom allocation and venue booking processes while incorporating a robust database management system.

2022 Nov - Dec

Smart Water Bottle

Role - Electrician | Team size - 5

The design and development of this product can help to improve medication adherence and reduce the risk of medication errors, especially for individuals who are on a complex medication regimen or have difficulty remembering to take their medication.

Certifications

2023 July - Pursuing

Joy of Computing in PYTHON

NPTEL Online Certification

2022 July 25 - Oct 14

Programming in Modern C++ - ELITE

NPTEL Online Certification
